Lanes reopening where possible for Thanksgiving travel

Non-emergency closures suspended, but work zones should be anticipated

SPRINGFIELD – The Illinois Department of Transportation announced today that lanes that have been closed for construction will reopen, where possible, for the Thanksgiving holiday to minimize travel disruption.

Non-emergency closures will be suspended from 3 p.m. Wednesday, Nov. 23, to 11:59 p.m. Sunday, Nov. 27.

The following lane closures will remain in place during the holiday weekend.

Motorists can expect delays and should allow extra time for trips through these areas. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and stay alert for workers and equipment. At all times, please buckle up, put your phone down and drive sober.

District 1

City of Chicago

- Northbound Pulaski Road between 76th and 77th streets; lane reductions continue.
- Southbound DuSable Lake Shore Drive (U.S. 41) along Jackson Park; lane reductions continue.
